SNOW IN AUGUST—Here's the evidence. It was an August day in Bozeman, Mont., following a heat wave which brought 100-degree temperatures in many cities. The weather changed and became more like November than midsummer. Garry Stack's camera recorded what happened. Those aren't feathers!

Cleo-Spawed Rains Drench the Coast

Tropical storm Cleo grudgingly gasped expiring winds today, but spewed heavy rains over sections of the western Carolinas, Maryland and the Virginias.

Roanoke, Va., got 1 1/2 inches; Morgantown, W. Va., received more than 1 inch; Asheville, N.C., got nearly 4 inches in 24 hours and Winston-Salem, N.C., nearly 3 inches.

The rains sent rivers and streams beyond their banks throughout the area.

After spreading many millions of dollars in damages further south, Cleo spawned two tornadoes at Laurinburg, N.C., within 13 hours. The first one Saturday tore through a three-mile path, injured two persons and caused an estimated \$750,000 damages. Sunday, the second twister damaged some roofs outside the town.

Nearly three inches of rain fell over Cape Hatteras, N.C., Sunday.

Greek Cypriot Promised Aid by Nasser

By ALEX EFTY

NICOSIA, Cyprus (AP) — President Makarios returns to Cyprus today after seeking military and diplomatic support from the United Arab Republic.

The Greek Cypriot leader, who flew to Alexandria Saturday to confer with U.A.R. President Gamal Abdel Nasser, said Sunday that Nasser "reassured me of his support in several ways."

In an address in the Greek Orthodox cathedral in Alexandria Makarios, archbishop of Cyprus, reaffirmed "our determination to carry on our struggle to the end. We won't surrender."

"We believe that with people who have the strength to fight, we will win in the end and live free and united with Greece."

In other developments Sunday, angry Turks staged anti-Greek and anti-U.S. demonstrations for the fourth successive day while the United Nations command in Nicosia charged that Turkish and Greek flights over Cyprus had heightened tension.

Some 2,000 to 3,000 Turks marched toward Greek and U.S. embassies in Anara, the Turkish capital, but police stopped them with barricades. In the Aegean port of Izmir, firemen used high-pressure hoses to drive back about 150 persons attempting to demonstrate at the International Trade Fair.

The demonstrations followed an appeal by Premier Ismet Inonu for an end to the rioting. As troops in battle gear patrolled Turkey's largest cities, Interior Minister Orhan Oztrak warned that the government was ready to use force to restore order.

Inonu said that while Turks had a legal right to free assembly, there would be no security if unlawful demonstrators tried to set national policy.

The demonstrators accused the United States, Britain, Greece, the United Arab Republic and the Soviet Union of seeking a Cyprus settlement unfavorable to Turkey.

Johnson Planned Convention Carefully After Cutting Out Ones Who Could Hurt Him

By ARTHUR EDSON

ATLANTIC CITY, N.J. (AP) — To Lyndon B. Johnson even minor political details are to be studied, to be worried about, and, if anything goes wrong, to blow one's stack over.

Never has this been better illustrated than at the Democratic National Convention.

Wednesday night the whooping delegates nominated Johnson by acclamation.

They waited patiently for the word and when it came, they shouted Hubert H. Humphrey in as their choice for vice president.

They avoided floor fights and adopted a platform with scarcely a dissenting voice, something that hasn't been done in at least a generation.

In short, they did precisely what the political doctor in the White House ordered.

In talking with those who have been deeply involved in this convention, one gets this picture: what happened — or, more importantly, what didn't happen — isn't so much the result of Johnson's busy telephone as it is of Johnson's careful planning.

A man close to the President used this as an illustration:

When vice presidential boomlets for Atty. Gen. Robert F. Kennedy began, Johnson quickly cut him, and a few others, from the running — and thus removed the one man — and the one family — who might have stolen the show from him here.

Even the tribute to the late President John F. Kennedy was prudently put off until tonight: No use stirring up a lot of emotion until all decisions have been made.

Or take the hottest issue this convention had to face: Which delegation from Mississippi should be seated?

A week ago Saturday Humphrey was in California. While there he talked with such Democratic leaders as Gov. Edmund G. Brown, Sen. Pierre Salinger, Assembly Speaker Jesse M. Unruh and State Controller Alan Cranston about the potentially explosive Mississippi situation.

When he returned to the White House, he reportedly told Johnson: "If this gets to a vote on the floor, we're done. It's too emotional."

The upshot: Humphrey, who helped to split the party in 1948 by leading a civil rights fight, now was to work to soothe everything over.

Everything was thought of. Atty. Gen. Walter Mondale of Minnesota, one of Humphrey's most loyal followers, just happened to be named head of the subcommittee to handle this problem.

Johnson runs a peculiar shop. He apparently doesn't like titles, and he wants men who are eager to work, and to work in complete anonymity. So there is no clearcut division of duties, and Johnson's agents may fan out in all directions, with several of them working on the same problem from different angles.

The Atlantic City White House took form here early, and by the first of this week its switching board was so jammed with repeatedly got busy signals when you tried to dial it.

Walter Jenkins, a longtime friend and administrative assistant, was chief of staff of the operations.

Often you would hear this phrase: "He talked with the White House about that." This

Tshombe Takes Town From Rebels

By ROBIN MANNOCK

LEOPOLDVILLE, the Congo (AP) — Premier Moise Tshombe says his army has recaptured the strategic city of Albertville in the eastern Congo, but Communist-backed rebels are reported on the march again toward Bukavu.

Tshombe personally announced the government victory over Radio Leopoldville Sunday. He said the rebels left behind their weapons in the flight from the city. There was no confirmation from other sources.

Tshombe said the rebels still held Albertville Airport, 12 miles from the city.

A spearhead of white mercenaries approached the airport last Thursday but were driven off by machine-gun fire. Five were wounded.

Tshombe said his troops freed 28 Europeans who had been held hostage. He gave no indication of the fate of about 100 other whites in the city.

Tshombe hopes the recapture of Albertville will give the demoralized Congolese army a psychological boost in its attempt to beat back rebel forces in the northeast Congo. He recently began recruiting white mercenaries, including some veterans of his Katanga secession, after the Congolese army suffered a string of reverses.

Albertville, the main Congolese city on the western shore of Lake Tanganyika, fell under control of rebel leader Gaston Soumialo in June.

Tshombe's latest announcement followed an army report that a strong rebel force was marching on Bukavu, on the eastern Congo border 225 miles north of Albertville.

Humphrey's Background Is Assailed

WASHINGTON (AP) — Georgia Gov. Carl Sanders says the Democrats' selection of Sen. Hubert H. Humphrey as their vice-presidential nominee "will prove to be an asset" to them, but Republican National Chairman Dean Burch contends it will unify and help the Republican party.

Another participant in the weekend's radio-television interviews, Sen. Sam J. Ervin Jr., D-N.C., conceded that Humphrey's liberal background would be a liability in some respects in the South. But he predicted the ticket of President Johnson and Humphrey would get a majority of the South's electoral votes.

Humphrey returned to Washington and his Senate duties after a long weekend of relaxation and campaign planning at Johnson's Texas ranch. Johnson remained there for some more unwinding after the party's Atlantic City convention.

Johnson's Republican opponent, Sen. Barry Goldwater, also talked campaign strategy during the weekend, meeting with Dennison Kitchel, his campaign director, aboard a yacht off Newport Beach, Calif.

Rep. William E. Miller of New York, the Republican vice-presidential nominee, issued a "stop, look and listen" caution to Republicans who might be thinking of supporting Johnson. A switch, he said, "would be a flat denial of every principle that has guided the Republican party in all its years."

Negroes Are Targets of Puerto Ricans

NEW YORK (AP) — Residents of a predominantly Puerto Rican block, apparently angered over a fatal shooting, threw gasoline bombs, rocks and bottles Sunday night. Their targets were Negroes and policemen and firemen fighting a tenement house blaze.

No one was reported injured by the fire bombs or the barrage from roofs and windows.

Several hundred persons were involved in the disorder on the lower East Side.

Police officials said today the outbreak developed from tension over the fatal shooting of a Puerto Rican by a Negro Saturday night and a series of Negro-Puerto Rican brawls Saturday night and early Sunday.

A Negro was arrested and charged with homicide early Sunday. More than two dozen Negroes and Puerto Ricans were arrested on disorderly conduct charges.

Sunday night, the tension heightened when police beat an evacuating Negro and Puerto Rican occupants of the building where the fire broke out.

Two patrolmen fired six shots into a building a few doors from the tenement fire when they saw three men on a fire escape toss three fire bombs at another building. The policemen went into the building and arrested two of the men, but the third escaped, police reported.

School Problems To Be Studied

LITTLE ROCK (AP) — The state Education Department says the first phase of a study of Arkansas School problems is approaching completion.

The phase, a compilation of statistical information, on Arkansas schools, is scheduled for completion this week. A. G. Thompson, director of the study, said Saturday.

Thompson said the second phase will begin Nov. 1. The second phase consists of on-the-spot appraisals of school systems by Education Department directors at the request of school districts.

Results of the first phase will be furnished to school superintendents. The information will include data on finance, personnel, administration, dropouts, school lunch programs and vocational education, Thompson said.

He said brochures, establishing guidelines for school administrators for improving their programs, will be prepared.

Alvin York Is Losing Ground

NASHVILLE, Tenn. (AP) — The doughboy hero of World War I, Sgt. Alvin York, appeared to be losing ground today in his long battle with ill health.

His condition was listed in a series of medical reports from Veterans Hospital throughout the night as first critical, then grave and early today as very grave. The wife, son and daughter of the 76-year-old Medal of Honor winner were called to his bedside Sunday night.

York was brought to the hospital Saturday from his home at Pall Mall, Tenn., a town in the hills 140 miles northeast of here. He is suffering from an acute urinary infection.

This is the 11th time in two years that the old soldier has been hospitalized. He has been bed-ridden for many years.

A hospital spokesman said Sunday that York now responds very slowly to medications.

Senate Faces New Health Care Battle

By EDWIN B. HAAKINSON

WASHINGTON (AP) — Congress went back to work today, trying again to settle differences that prevented adjournment before the Democratic National Convention.

Little business was planned by House leaders as representatives returned from the convention week recess.

But the Senate faced a renewed fight over health care for the elderly under the Social Security program.

Backing of the health care program by President Johnson could make it one of several stumbling blocks in the path of an early adjournment.

New Threat Posed in Viet Nam

By MALCOLM W. BROWNE

SAIGON, Viet Nam (AP) — A student leader today threatened new mass demonstrations if the ruling triumvirate names men to the promised National Assembly who are unacceptable to the students.

Ton That Tue, a member of the newly formed Leadership Council of Saigon students, told a news conference such demonstrations would be organized only as a last resort.

Le Dinh Dieu Cam a vice president in the new student organization, said students considered the triumvirate created last week unstable but added that the students, for the sake of "solidarity of the people, will support the government for two months. After that our attitude will depend on the situation."

The triumvirate is supposed to appoint a representative National Assembly within two months. The assembly in turn is supposed to appoint a new chief of state.

Dieu condemned the government for last week's rioting in Viet Nam which he said cost at least 20 lives. He said it was the duty of the government to protect lives and property.

The government has warned that any further violence in the streets will be met with force. It also is pressing a search for Communists it accuses of fomenting Buddhist-Roman Catholic rioting.

Three Deaths by Violence in Arkansas

By THE ASSOCIATED PRESS

Bennie Elder, 16, of near Little Rock, was killed Sunday when the motorcycle he was riding was struck by a car on U.S. 65, three miles south of the Sweet Home Community near Little Rock.

His death brought to three the number of persons who died accidentally in Arkansas for the weekend period from 6 p.m. Friday until midnight Sunday.

Elder's sister — in-law, Hazel Joyce Elder, 16, of Little Rock, a passenger on the motorcycle, was in serious condition at a Little Rock hospital.

State Trooper Scott Brown said the motorcycle was struck by a car driven by Don Wilkins, 22, of Warren, after the car went out of control on a curve and skidded into the oncoming lane of traffic.

Robert Ward, 24, a Negro of Hampton in Calhoun County, was struck and killed by a hit-and-run driver as he walked along U.S. 79 north of Camden Saturday.

Show of Unity Displayed by New York GOP

By ROBERT T. GRAY

NEW YORK (AP) — New York state Republicans joined in a massive demonstration of unity today for both Sen. Kenneth B. Keating and the party's national ticket of Sen. Barry Goldwater and Rep. William E. Miller.

Rep. Paul A. Fino of the Bronx, who had pledged to oppose Keating's renomination because the senator has refused to endorse Goldwater, dropped that plan and joined in the unity movement.

Mrs. Clare Boothe Luce, who up to Sunday had planned to run against Keating and remained critical of his stand on Goldwater, accepted an invitation to appear before the GOP State Convention meeting here.

Former Vice President Richard M. Nixon also accepted an invitation to appear.

Keating's principal opponent in the fight for the Senate seat he now holds will be Atty. Gen. Robert F. Kennedy, to be nominated by the Democrats Tuesday.

The executive committee of the Republican state committee, at a two-hour meeting, adopted unanimously a resolution endorsing Keating and also the Goldwater-Miller ticket, although Keating has continued to withhold his endorsement of the national slate.

The resolution said that the party was "broad enough and big enough to embrace Republicans of varying points of view."

The resolution was immediately sent to the state committee, which is meeting as a nominating convention.

Fino told a news conference he would have preferred that Keating support the national ticket but the overriding issue was "the re-election of a Republican U.S. senator from New York State."

He withdrew a strongly worded statement he had distributed which sought to force a pledge of party loyalty from Keating.

Republicans were optimistic about Keating's chances of withstanding the challenge by Kennedy, particularly because of Mrs. Luce's decision not to run as a third-party candidate.

Republican leaders had feared she would have drawn a substantial number of votes from Keating, who won election six years ago by 133,000 votes.

Mrs. Luce said she withdrew in a spirit of Republican unity.

Her decision eliminated a threat by the state Republican organization to withdraw support from the national ticket of Sen. Barry Goldwater and Rep. William E. Miller.

China Plans Boycott of Red Meeting

TOKYO (AP) — Communist China has announced officially it will boycott a Soviet-sponsored conference to plan a world Communist meeting. It says the day such a meeting is held "will go down in history as the day of the great split in the international Communist movement."

Peking accused the Soviet Union of siding with the United States in the recent Gulf of Tonkin crisis "by actively supporting the U.S. attempt to intervene in Viet Nam through the United Nations."

Red China's charge was contained in a letter dated Aug. 30 in which the Central Committee of the Chinese Communist party turned down a Soviet invitation to a scheduled Dec. 15 planning conference.

The official New China News Agency broadcast the reply. Peking was one of 25 Communist parties invited to lay the groundwork for a meeting of 81 Communist parties next summer.

Red China also accused the United States of opening up a new "special warfare" theater in Africa. China has made Africa one of its major spheres of activity.

The broadcast said Peking told Moscow: "We will never take part in any international meeting or any preparatory meeting for it, which you call for the purpose of splitting the international Communist movement."

Integration Comes Calmly to Biloxi

By JACK THORNELL

BILOXI, Miss. (AP) — This tourist-conscious Gulf Coast city hopes for calm and quiet today as Negroes begin classes with whites for the first public school desegregation in Mississippi below the college level.

The state is the last in the nation to integrate its elementary and high schools under the historic U.S. Supreme Court decision of slightly more than 10 years ago.

Sixteen Negro first graders are enrolled in four formerly all-white schools.

The registration for the Biloxi school system took place some two weeks ago without incident.

School Supt. R. D. Brown said he anticipated no trouble with the start of classroom work. Any outbreak inevitably would affect tourism, a major industry here.

Biloxi has been relatively free of the racial troubles that have happened elsewhere in Mississippi this summer. A wade-in attempt on the white sand beaches by Negroes erupted into violence in 1960.

First-grade classrooms doors were opened to Negroes by a federal court order which also directed Jackson and rural Leake County to lower racial barriers.

Jackson has registered 43 Negro first graders with classes slated to begin Sept. 14. Leake County registered first graders at four of its five white atten-

remained under control and the four-square-mile trouble zone was returning to relatively normal operations.

Some 1,500 police saturated the area, which remained under a 24-hour curfew.

Mayor H.J. Tate emphasized that a clear-the-streets order, issued Saturday, remained in effect. The proclamation, falling under an 1850 law, made it a misdemeanor, with a maximum penalty of two years in prison, for anyone to be on the streets without legitimate business.

Tate, in a progress statement late Sunday night, reported that 225 stores had been looted and more than 350 persons arrested for various violations. The injured totaled 247, including 66 policemen. Almost all of the injuries were minor and there were no fatalities.

One shooting was reported. Police said Robert Green, a 21-year-old Negro, was wounded Saturday night when he pulled a knife on a patrolman who was chasing persons throwing cans at a patrol car.

Tate estimated "several millions of dollars" in damages and

dance centers, but no Negroes appeared.

Carthage, the largest school in the rural system, will conduct registration Tuesday for first graders. Civil rights sources say three Negroes only registered.

The only other Mississippi school system ordered to desegregate is Clarksdale. To date no Negro applications have been made public.

potential Conservative party candidate for U.S. senator, paying the way for a head-on clash between Sen. Kenneth B. Keating and Atty. Gen. Robert F. Kennedy. Keating was in line for Republican renomination today, and Kennedy for the Democratic nomination Tuesday.

Sanders, appearing on the ABC television and radio program, "Issues and Answers," said he didn't think Humphrey's selection would hurt Johnson's chances in the South.

Suggesting that Humphrey "get out on the stump and talk to the people" in the South, Sanders said "this man is a great campaigner."

Burch criticized both Johnson and Humphrey on the CBS program "Face the Nation," and said the convention which nominated them was "most undemocratic."

He called Johnson "a complete cynic," and said his choice of Humphrey as a running mate was "cynicism of the ultra type." As senators, Humphrey and Johnson often took opposite sides on issues, Burch said, and they opposed each other for the Democratic presidential nomination in 1960.

Noting Humphrey's membership in Americans for Democratic Action — which he said should be called "Americans for Socialistic Action" — Burch said the association has "effectively killed the question of extremism" in the campaign.

"Socialistic Action" — Burch said the association has "effectively killed the question of extremism" in the campaign.

Incidentally, the ADA, which describes itself as a nonpartisan group supporting policies of the New Deal and the Fair Deal, announced it is enthusiastically supporting the Johnson-Humphrey ticket.

Among campaign issues, Burch said, will be lawlessness in American cities, the situation in Cuba and Viet Nam, and the wealth Johnson has acquired since he became a member of Congress.

But the central issue, he said, is "does the United States want a man as cynical as Johnson for president."

Contending that Johnson "is not the type of example that lends itself to absolute law and order," Burch said:

"I think that cynicism has been established by his going along with the idea that let's stop the (race) riots until Nov. 3, until the election is over, and then you can have all the riots

other costs caused by the rioting, which broke out Friday night. The mayor, pledged 'the full assistance of the city administration in helping the affected merchants get back to normal operations as soon as possible.'"

Roy Wilkins, executive secretary of the National Association for the Advancement of Colored people, called upon the federal government to investigate the riots in Philadelphia as well as in other northern cities, suggesting that the riots were planned.

Cude Kids Register for School

MENA, Ark. (AP) — Mr. and Mrs. Archie Cude registered their three children, vaccinated against smallpox by court order, for classes in a Mena elementary school today.

The children, Wayne, 13, Delia, 11, and Linda, 9, will begin attending classes Tuesday. But Miss Holly Harshman, principal of the Louise Durham Elementary School which they will attend, said she did not know yet in which classes they would be placed.

The children were taken from the Cudes and vaccinated after the Arkansas Supreme Court ruled that Cude could not deny his children an education because of his religious beliefs.

Cude says his interpretation of the Bible leads him to believe that all medical treatment is wrong. He fought the vaccination on those grounds.

Miss Harshman said the three children would be given tests to determine where they should be placed. She said it was doubtful that they would be placed with their age groups because Linda and Delia have not been to school at all and Wayne attended school only through the second grade.

The school district has a regulation that all children must be immunized against smallpox to attend school. Chancellor Judge Wesley Howard ruled that the children would have to attend school and therefore would have to be vaccinated.

Cude appealed Howard's ruling to the Arkansas Supreme Court and the children were taken from him last spring after the high court ruled against him. Gov. Orval E. Faubus took the children into his mansion for three days until it was decided to leave them with their parents until Cude had time to appeal the case to federal courts. He did not do this.

Mr. and Mrs. Cude and the three children arrived at the school at 8:15 a.m. and went into Miss Harshman's office, where they talked for about an hour. The children were given registration cards to take home and fill out, just as were other children.

He told a questioner, however, he is not suggesting that Johnson has no concern over riots after Election Day.

dren who registered today. They will ride a school bus to classes. A number of parents brought their children for registration. Some rode buses.

Cude had said earlier that the children would attend school but might not study and might create confusion in the classroom in defiance of the court.

However, Miss Harshman said today he gave no indication during their conference that the children would not cooperate.

Cude told a newsman that the children "are not attending as they did the other times, but they are attending under Judge Howard's orders." He had tried to register them in past years and failed because he would not

allow them to be vaccinated. Miss Harshman showed the children and their parents around the school.

Four new classrooms are being built at the school to take care of children from the area in which the Cude family lives on a farm 13 miles north of Mena.

Some 40 children from that area had attended the Board Camp School until this year when it was decided to take them, by bus to the Durham School on Mena's north side.

Sleeping Sickness Epidemic Continues

HOUSTON, Tex. (AP) — Health officials hope by Wednesday or Thursday to be able to interpret trends and establish how long this city's sleeping sickness epidemic peak might last.

Twenty new suspected cases of encephalitis were reported Sunday, bringing to 413 the number of suspected sufferers of the disease.

Thus far, 19 persons may have died of the St. Louis encephalitis virus, but only three deaths have been definitely attributed to the disease through laboratory analysis.

Dr. C.A. Pigford, city health officer, said Sunday the epidemic was either nearing or at its peak.

Meanwhile, day-and-night insecticide spraying continued in efforts to kill the disease-carrying culex mosquitoes.

"DEAR ABBY"

The Scent Of Controversy!

By Abigail Van Buren

Dear Abby: Though I am supposed to solve political problems, I have one which I have wrestled with for some time and I need help. It pertains to skunks.

Two of my grandsons want to adopt skunks. I told them that I would go along with them. Confidentially, I even encouraged them. When I was young, I used to trap skunks (some people say I still do). A good de-scented skunk, regardless of his politics, is not too bad, to have around the house. However, Mrs. Pearson objects. She says she will not tolerate skunks in our home. Since my grandsons are visiting us this summer, and I did promise them some skunks, what is your advice?

DREW PEARSON

Dear Mr. Pearson: A promise is a promise. Get the grandsons the skunks. They make wonderful pets! But be sure they're deodorized—otherwise I predict

your life won't be worth a scent!

Dear Abby: I am 17 and I hope you won't think my problem is too silly to answer. You see, my parents do not allow me to date a boy unless he is the same faith as I am. You can't always tell by their looks, or even by their names, and I don't think it is very nice to come right out and ask a person what church he belongs to. Yet there would be no sense in starting to like a boy who doesn't go to my church because, if he liked me, I couldn't date him anyway. So how can I find out what religion a boy is without coming right out and asking him?

PHILADELPHIA
Dear Philadelphia: There is nothing wrong with "coming right out and asking him." In fact, that's the best way to get an honest answer to a serious question.

Dear Abby: I am the youngest of six children. And to make matters worse I was a "change of life" baby, and it was almost like being an only child. My mother was 51 years old when I was born. Well, whenever my mother introduces me to any of her friends, she says, "... and this is my baby." I am 36 years old, Abby, and this is pretty em-

The government said 449 persons, including some Communists, have been rounded up in Saigon so far.

"Any Communist special activities groups entered the capital and have infiltrated various groups and organizations in order to sabotage public order and security as well as cause religious friction," a government communique said.

An army announcement said troops would shoot at demonstrators who refuse to obey orders, or a time last week soldiers watched with folded arms while atholic and Buddhist youths battled in the streets with machetes, bricks and other weapons.

Calm has been restored in Saigon. A funeral procession of 50,000 Catholics passed through a Buddhist section without incident, Sunday as the bodies of six atholics killed Friday were borne to their graves.

Five battalions of troops stood guard on back streets. Others lined the route to the cemetery. Catholic priests called the victims martyrs during an hour-long mass. A Buddhist monk attended as representative of the Buddhist Association in a display of unity.

Despite the surface calm in Saigon, a curfew remained in effect today. Schools were to reopen Thursday.

First Ratings in Arkansas High Schools

By THE ASSOCIATED PRESS

The thinking was hard and fast on the pre-season Associated Press Arkansas high school football poll, and it almost picked up where it left off last season.

Fort Smith Northside and Texarkana are rated around the top. Only Pine Bluff's graduation-depleted Zebras, who won the Class AAA championship two years running, were not back on top.

Pine Bluff was rated ninth in the poll, the first of the 1964 season.

Fort Smith drew top billing, with Texarkana's Razorbacks in third place. Little Rock Central fitted in at the second rank, but the Grizzlies, Razorbacks and Tigers all drew first-place votes.

Conway was far from third but well above fifth place, giving Class AA its highest pre-season ranking in years.

El Dorado, North Little Rock and Little Rock Hall were 5-6-7, with Van Buren, another Class AA power, eighth. Stuttgart, of Region 2AA, ranked tenth.

The poll, with first place votes in parentheses and total points at right:

1. Fort Smith Northside (9) 116
2. Little Rock Central (2) 106
3. Texarkana (1) 93
4. Conway 68
5. El Dorado 59
6. North Little Rock 51
7. Little Rock Hall 50
8. Van Buren 39
9. Pine Bluff 20
10. Stuttgart 14

Others, in order: Hope, Fayetteville, Benton, West Memphis, Little Rock Catholic, Jonesboro, Forrest City, Holly Grove, St. Anne's of Fort Smith.

Hope Star SPORTS

Kiwanians Told About Bobcats; Feed Tonight

Hope High School Football Coach Allen Howard, discussed the upcoming football season and prospects for the 1964 season at the Friday noon luncheon of the Rotary Club.

Expressing some disappointment over the number of boys out for practice, which at the present time numbers 23, Coach stated that although the quantity was small, the quality of the boys was good.

"We have 23 boys that are working hard and all of the coaches feel that they will make the football fans of Hope proud of them before the season is over," said the coach.

A football program starting with the 7th grade is getting under way and at the present time, 48 boys have signed up for this class, the eighth grade has 23 boys out and the 9th has 28 boys participating which should increase the size of the varsity squad in future years, the coach stated.

Coach Howard urged the Rotarians to get behind a program to build a track for Hope High School, stating that ours is the only school in the district that does not have track for spring sports.

He further stated that participation in track does more toward the development of an athlete than any other sport.

Skowron Raps Homer, Chisox Defeat Orioles

By MIKE RATHET

Associated Press Sports Writer

Moose Skowron's first homer in six weeks has put the cap on the 24-day period in which the three leading American League pennant contenders finished firing against each other and left unanswered only one small question:

Who's going to win the American League pennant?

Skowron, who has a chance to play in his third consecutive World Series with as many teams, slammed a fifth inning homer Sunday that broke up a scoreless battle and started the Chicago White Sox on the way to a 3-0 victory over first-place Baltimore.

That lifted Skowron's average to .308 since he was acquired from Washington this season after pennant-winning years with the New York Yankees in 1962 and Los Angeles Dodgers last year. It also lifted the White Sox to within one-half game of the front-running Orioles at the end of the contenders' round robin.

The Orioles, who started the 24-day stretch on Aug. 7 in second place by four percentage points, compiled a 9-6 record against Chicago and New York during that period and took over the league lead. The White Sox were 9-7 against the other two, moving up after being third, 1½ out.

The biggest losers were the New York Yankees, who started the swing against Baltimore and Chicago in first place, lost 10 of 15 to the other leaders and fell to third place. The Yankees are three games off the pace after walloping Boston 9-3.

As for the remainder of the schedule, none of the leaders seems to have an advantage. Here's the way it looks:

Baltimore — At home, 16 — Kansas City 5, Minnesota 3; Los Angeles 3, Washington 3; Detroit 2, Away, 15 — Minnesota 3, Los Angeles 3, Kansas City 2, Washington 2, Detroit 2, Cleveland 3, Chicago — At home, 14 — Detroit 2, Cleveland 4, Washington 3, Los Angeles 1, Kansas City 4, Away, 14 — Washington 2, Minnesota 2, Cleveland 3, Detroit 2, Los Angeles 2, Kansas City 3.

New York — At home, 16 — Minnesota 3, Los Angeles 3, Kansas City 3, Detroit 3, Cleveland 3, Away, 17 — Los Angeles 3, Kansas City 3, Minnesota 2, Detroit 2, Cleveland 4, Washington 3.

In other AL games Sunday, Tony Oliva's 28th homer brought Minnesota a 5-4 victory over Washington. Ken McBride won his first game in 2½ months as the Los Angeles Angels edged Detroit 5-4 and Kansas City ended Cleveland's eight-game winning streak with a 9-3 victory before the Indians won the second game 6-5.

Pittsburgh walloped National League leading Philadelphia 10-2. Cincinnati edged Houston 7-6 after losing the opener 8-5. San Francisco outslugged Milwaukee 13-10 before bowing 7-4. St. Louis defeated the Los Angeles Dodgers 5-1 and the Chicago Cubs beat the New York Mets 7-

3. Skowron smashed a 390-foot

shot off Robin Roberts for his first homer since July 16. Ward took care of the other runs, driving in one with a triple in the ninth inning and then scoring on a wild pitch.

Joel Horlen nursed the 1-0 lead into the eighth inning, then departed for a pinch hitter. Gary Peters, making his first relief appearance for Chicago, took over in the eighth but left with two out and a man on second.

Hoyt Wilhelm struck out Brooks Robinson to end the threat, then set the Orioles down quietly in the ninth.

Horlen, who checked the Orioles on four hits before leaving, did not allow a runner past second and brought his record to 10-8. Robt is 11-6.

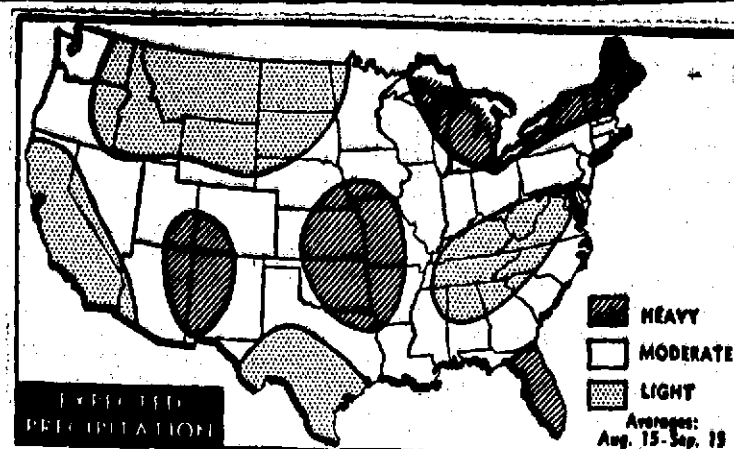

The Yankees got the job done early against the Red Sox, scoring two runs in the first on a double by Phil Linz, Pedro Gonzalez' triple and an error, then adding three runs in the fourth on consecutive homers by Johnny Blanchard and Hector Lopez.

The Yankees' Mickey Mantle, meanwhile, broke Babe Ruth's major league strikeout record when Bob Heffner fanned him in the fourth inning before Blanchard and Lopez connected. The strikeout was No. 1,331 of Mantle's 14-year career.

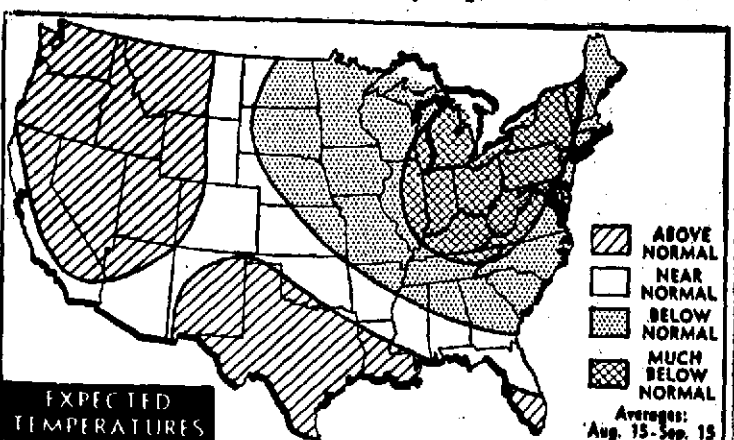

Oliva's homer in the eighth inning snapped a 4-4 tie and ended a see-saw homer battle. Don Mincher had put the Twins ahead 4-3 with a two-run pinch homer in the seventh, but Don Lock pulled the Senators into a tie with a homer in the top of the eighth.

The Angels chased Dave Wickersham, the Tigers' 16-game winner, with a four-run first built on two-run homers by Jim Lregosi and Willie Smith. The winning run, however, came across in the fifth when Albie Pearson tripled and scored on a wild pitch by Ed Rakow.

Jim Gentile drove in five runs with two homers and a single and Nelson Mathews knocked in four with a pair of homers in the A's victory. Mathews also connected in the nightcap, but the Indians finally won the back and forth struggle on a two-run single by Max Alvis in the ninth inning.

Rainfall will vary considerably throughout the country; a great amount is not generally expected.

It may be cooler than normal in the eastern third of the country; most heat will stay in western third.

Allen's Errors Prove Costly to the Phillies

By MURRAY CHASS
Associated Press Sports Writer

Richie Allen may boot Rico Carty or Jim Hart right into the Rookie of the Year award in the National League.

Allen, Philadelphia's offensive spark, continued his less than red-hot defensive performance Sunday, committing two costly errors in the league leader's 10-2 loss to Pittsburgh.

Carty and Hart, meanwhile, exchanged lousy batting displays as San Francisco won the first game of a doubleheader 13-10 and Milwaukee the second 7-3.

Carty belted five hits, including his 16th homer, in five at-bats in the nightcap after slamming a homer in three trips in the first game. Hart went 3-for-6 in the doubleheader, hitting a homer in each game and driving in six runs.

Allen's errors increased his season total to 33, a rare height even for an entire season. Allen has done it in 129 games, giving him 3 more games in which to surpass the most miscues made by a National League third baseman in 25 years.

That figure is 41, achieved by

Sibby Sisti of the Boston Braves in 1941.

Of course, the 22-year-old Allen has been Philadelphia's most potent batting threat, compiling a .312 average with 24 homers and 73 runs batted in. But some of his bobbles — he has made 27 in the last 64 games — have been costly.

Sunday, for example. With the bases loaded and one out in the second inning, Bob Bailey grounded to third. The ball bounced off Allen's knee, and two runs came across. Gene Alley went to third on the play and scored on Manny Mota's bunt single.

Then with two out the next inning, Allen fielded Bob Veale's grounder flawlessly and threw high to first, permitting Donn Clendenon to score from second. Bailey then singled in another unearned run.

Only eight days before, an Allen error lead to five unearned runs and a 9-4 Pirate victory.

In other NL games Sunday, Cincinnati nipped Houston 7-6 after losing 8-5, St. Louis whipped Los Angeles 5-1 and Chicago knocked off New York 7-3.

In the American League, Chicago blanked Baltimore 3-0, New York walloped Boston 9-3, Los Angeles edged Detroit 5-4, Minnesota trimmed Washington 5-4, and Kansas City belted Cleveland 9-3 before losing 6-5.

The Phillies' loss cut their league lead to 5½ games over the second-place Reds. Veale,

Nichols Goes on to Win Carling Prize

By WILL GRIMSLEY
Associated Press Sports Writer

BIRMINGHAM, Mich. (AP) — Golf's new breed, personified by young Bobby Nichols, is threatening to create a runner-up complex for Arnold Palmer and Jack Nicklaus.

Arnie and Big Jack had to be content with secondary paychecks again Sunday when Nichols, 28-year-old PGA champion, walked off with the game's biggest tournament haul of the year, the \$35,000 first prize in the \$200,000 Carling World Golf Championship.

Palmer finished second one stroke behind Nichols, winning 278 for four rounds over the tough Oakland Hills course.

It was the fifth time in the last seven tournaments that Palmer, the defending money-making champion, had come in second. In the other two tournaments, he was third.

"I'm getting darned tired of it," Palmer said. "I hope it doesn't become a habit."

Nicklaus, who hasn't won a major championship this year, fell farther behind. He tied for 11th and 28th and collected \$2,800.

It was the first time in the last two months that he hadn't placed at least in the top six.

Since the Masters, which Palmer won, the Big Two have captured only three tournaments between them.

The \$35,000 prize boosted Nichols into the top five of the money winners with \$72,087.26. Palmer went to the head of the list, which he has led the last two years, with \$110,743.37.

Gary Player of South Africa won third money with a 72 for 281. Fourth was shared by the great Ben Hogan and Pete Brown, a Negro from Los Angeles, at 282. Hogan shot a final 69 and Brown a 69.

Hogan, 52, proved he still is the game's master shotmaker who, if he could putt better, might again dominate the game. Brown achieved a major breakthrough for his race, which has been less successful

in golf than in other sports.

Leaders and money winners in the Carling World Golf Championship include:

Bobby Nichols, \$35,000
Arnold Palmer, \$17,000
Gary Player, \$8,500
Ben Hogan, \$6,850
Pete Brown, \$6,850

New York's Teams Not Out of Woods

PRO FOOTBALL ROUNDUP
DICK COUCH

Associated Press Sports Writer

New York's professional football teams aren't out of the Woods yet — and they won't be for some time if Giants coach Allie Sherman and Jets pilot Weeb Ewbank have their way.

The Woods, 5-foot-11 Gary of the Giants and 6-foot-5 Dick of the Jets, quarterbacked their clubs to impressive victories Saturday as the National and American Football Leagues moved through another week-end of exhibitions prior to mid-September season openers.

Gary Wood, filling in for hobbled Y. A. Tittle, threw three touchdown passes as the Giants trimmed Philadelphia 28-17 at Princeton, N.J., for their first NFL pre-season success in four starts. Dick Wood also fired three scoring strikes in the Jets'

34-6 rout of AFL champion San Diego at Atlanta.

A Dallas crowd of 60,057 — the largest since the Chicago All-Star game early in the month — watched the owboys take a 35-3 beating from Green Bay while Pittsburgh edged San Francisco 16-14 and unbeaten Minnesota outscored Los Angeles 34-23 in other NFL games.

Oakland took an AFL decision from Houston 34-20 in the first pro-game ever played at Las Vegas.

Gary Wood, a 22-year-old rookie from Cornell whom Sherman retained while releasing Lynn Griffing, Tittle's 1963 sub, when the Giants trimmed their roster last week, replaced the veteran pass-master early in the second period Saturday.

Tittle threw a scoring pass to Dick James before twisting his left knee, the same one he hurt in last December's NFL title game. This time, the injury ap-

80 Porkers Start Grid Practice

FAYETTEVILLE, Ark. (AP) — Eighty Arkansas Razorback hopefuls hit the football practice field here Tuesday to begin 15 days of preparation for the season opener against Oklahoma State Sept. 19.

But just what the 1964-65 version of the colorful Porkers will look like may take a while to find out.

Head Coach Frank Broyles said he isn't certain whether he will field four teams of specialists or two specialized units and a third one of two-way players.

Broyles said he would stay out with four teams working both on offense and defense and "play it by ear for a while."

Among the material he will have to work with are 21 returning lettermen.

These include veteran backs Jack Brasell, Ken Hatfield, Bobby Reynolds, Jim Lindsey, Charles Daniel, Fred Marshall, Bill Gray and Jon Brittenum.

Returning linemen are Tom McKnelly, Randy Stewart, Jerry Lamb, Bobby Crockett, Jim Finch, Glen Ray Hines, Jim Williams, Ronnie Caveness, Jerry Welch, Ronnie Mac Smith, Jerry Jones, Dick Hatfield and Jim Johnson.

Players started checking in Saturday and had their regular squad buffet dinner Sunday night. Monday was taken up mostly with physical examinations and some picture taking.

The Porkers will have about 26 workouts in preparation for the season opener. For the first eight or 10 days, drills will be held twice daily, at 8:30 a.m. and 4 p.m.

Broyles said Saturday he is relying heavily on 14 seniors on the squad for leadership.

He is also warily eyeing the position chart, but so far this year the coaches haven't shifted any players.

"This is the first year we haven't made some changes," Broyles said. "I guess we had them pretty well lined up the way we wanted them."

Of the workouts, Broyles said, "I hope we have cool mornings and hot afternoons. I wish we could go to work today instead of waiting until Tuesday."

"Every day counts from now on."

SHORT RIBS

By Frank O'Neal

BRAVO BRAND By Nelson C. Nye

Copyright 1964 Nelson C. Nye. Distributed by Newspaper Enterprise Assn.

THE STORY: Jupe Cotten tells Frank lives that the sheriff, Sam Renwick, accused him of stage robbery in order to get control of the Cotten estate.

These malpais rocks with their blowholes and pickmarks were nearly as hard on hoofs as crushed glass and lyes, peering ahead, was wondering if the cattle would have any feet left when Jupe with a yell ordered the herd swung west.

They were scarcely just then beyond a quarter of a mile from the western edge, if a motte of low brush were any indication. This was tall enough that, even in his obnoxious, Ives was unable to see anything beyond.

He looked his question and Jupe told him, grinning, that beyond that brush there was a cap of flinthard granite the winds had swept clean, extending on west the better part of a mile.

And, sure enough, this proved to be the case.

"Drops into a wash you'd never guess was there. We'll push 'em on up it two-three miles," Jupe chuckled, "then we'll find another ledge and take 'em out. By the time Sam's bunch get this dingo ironed out the wind'll have blown every track from that sand." He slapped his leg. "Them pore fools 'll be runnin' in circles!"

Ives, though not convinced of this, kept his reservations to himself. Young Cotten might be right; but if—as he seemed to think—Sam Renwick was out to be top dog of Terrapin, he was bound to have people he could call on for help—and why not Indian trackers?

Rummaging around in his thoughts, Ives said, "How'd Daddy's property bound over to the Court? I mean, without a body that seems—"

"We thought it some funny ourselves," the kid said, "but old Eph Randimier—the circuit judge gets the bulk of his best thoughts out of a bottle. I don't say he's crooked or nothin' like that, but he's a twig easy bent an' whatever Sam says generally suits Eph first rate."

"Did Renwick tell him, or pass along the suggestion, the ranch would suffer under your management?"

"I dunno. There was some kinda yarn about trackin' bloodstains away from what was left of that coach—I never did git the bottle-sender, now Mrs. Jeanne Onslow."

Motor Stock Uneasy in Mixed Market

NEW YORK (AP) — Motor stocks were uneasy in a mixed stock market early this afternoon as hard bargaining got underway for a new labor contract in the auto industry.

Gains and losses of fractions to about a point were scattered throughout the list of key stocks.

Chrysler dipped about a point after opening unchanged. Walter Reuther, head of the United Auto Workers, sat down at the bargaining table with Chrysler representatives.

General Motors also slipped nearly a point.

Steels moved a little higher on balance. The tone was slightly higher also among farm implements and tobacco.

Chemicals and drugs declined. Rails, utilities, airlines, electronics and aerospace issues were mixed.

The Associated Press average of 60 stocks at noon was unchanged at 314.7, with industrials up .3, rails off .1 and utilities off .1.

The Dow Jones industrial average at noon was off 1.4 at 838.95.

A loss exceeding a point by Eastman Kodak was instrumental in dampening the averages. Du Pont eased. Jersey Standard and

Campaign May Get Out of Control

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — This year's political campaign is the kind that can get out of control. The potshots from both sides, with the possibility of one word leading to another, have the built-in potential of an explosion.

Sen. Barry Goldwater, after calling his rival, President Johnson, a phony and the "big-

gest faker in the United States," said he will conduct the campaign solely on the issues and will not engage in "personal attack."

But his team is attacking. Goldwater's vice-presidential running-mate, Rep. William E. Miller, says Johnson's wealth makes it integrity subject to "some question" and that he hopes integrity and morality in office would always be an issue.

Sunday Dean Bruch, Goldwater's handpicked chairman of the Republican National Committee, called Johnson "cynical" and said the way the President got his wealth "raises a very singular moral question."

On the "Face the Nation" television show Bruch said of Johnson in connection with Negro riots in Northern cities so far this year: "He is not the type of example that lends itself to absolute law and order."

"I think that cynicism has been established by his going along with the idea that let's

stop the riots until Nov. 3, until the election is over, and then you can have all the riots you want."

Burch was asked whether he was seriously suggesting that Johnson just wants a moratorium until Nov. 3 on rioting and after that has no concern about the matter.

"No," Bruch said, "I would not suggest that he has no concern. But I would certainly suggest he wants a moratorium on rioting."

Johnson, in accepting the Democratic presidential nomination last week, never mentioned Goldwater's name and told the nation the Democrats wanted no part of "fear or smear."

But his speech contained a lot of indirect assaults on Goldwater whom he pictured as a reactionary without naming him. At the same time Johnson talked of turning the other cheek.

Yet, Goldwater had previously provoked him into an angry retort by criticizing Johnson's handling of Viet Nam. The President said Goldwater had committed a disservice to the country and the world.

It's doubtful Johnson will be able to maintain throughout the campaign the same kind of aloofness he tried in his acceptance speech if he has to put up with much of the Goldwater-Miller-Burch kind of attack.

If he gets harsh with Goldwater it's going to be interesting to see how the Arizona senator stands up under it. Goldwater has already been given a taste of what he can expect from Sen. Hubert H. Humphrey.

On the same night Johnson in Atlantic City was urging against "fear or smear" and fixing his oratorical eyes on lofty goals, Humphrey, accepting the vice-presidential nomination, went

Television and Radio

By CYNTHIA LOWRY
AP Television-Radio Writer

HOLLYWOOD (AP) — Not all the humor that turns up in television's situation comedies is injected by the writers. Sometimes it is added by collaboration during rehearsals.

The other day on the "Andy Griffith Show" set, the sheriff of Mayberry and his new love, played by Anita Corsaut, were walking through a rehearsal, scripts in hand. The scene required Andy to take lingering leave of the girl in front of his office, to be joined inside by his deputy, played by Don Knotts.

The script had Andy leaning forward to kiss the girl, then turning away to enter the building.

"That's a little too much," frowned Griffith. "Wouldn't it be better if we sort of made love with our eyes a little bit? I just

after Goldwater barehanded and by name.

He accused him of extremism, passion, radical language, recklessness, and being out of step with a majority of the Republicans in Congress.

Among the first pieces of equipment politicians usually acquire are shock-absorbers but this campaign looks like a rocky road for all concerned, so rocky that explosions even this early look like a safe prediction.

don't think we'd make physical love in public."

Director Al Rakkin agreed.

Griffith thought for a minute, then added: "Wouldn't it be funnier if Don broke it up by walking between us? Let's try that."

They rehearsed the short scene again. Knotts rushed across the set, cut between the pair and disappeared into the building.

"Boy, that works better," said Griffith with a smile. "That felt wonderful. It's in character, because that's the sort of thing he would do, rush through like that to attract attention."

Each television series has worked out its own special techniques, and CBS' "Andy Griffith Show" during the past four seasons has learned what is best for its players. For one thing, they rehearse the show in sequence. (Most television shows, including Andy's, are filmed scene by scene according to the sets used, not the sequence of action.)

The sheriff of Mayberry, still an elusive widower, may well be television's most fickle character, Miss Corsaut will play his third — or is it fourth? — love interest.

Negotiations are in progress which might extend the life of the series for two more seasons after this, but Don Knotts definitely leaves at the end of this one. He already has signed con-

Fire Destroys Negro School in Kentucky

MOUNT STERLING, Ky. (AP) — On the eve of a threatened boycott of city schools by Negro parents protesting a change in integration plans, an all-Negro school and a building that served as a Masonic hall for Negroes have been destroyed by fire.

Montgomery County Atty. Henry Bramblett said he has requested state police be alerted for possible duty guarding the city's three white schools. The disturbances shattered years of

tracts for films and other television. While our attention was diverted by the activities at Atlantic City, ABC, announced a "major overhaul" of its daytime programming starting early in October. It consists of abandoning, after all those tear-stained years, "Queen for a Day," in favor of still another soap opera, "The Young Marrieds," and of changing the title of "The Tennessee Ernie Ford Show" to "Hello, Pea-Pickers."

The creative department of NBC has not been napping — it has changed the name of "The Jack Benny Show" to "The Jack Benny Program."

calm in the state's school integration moves.

Agents of the Federal Bureau of Investigation and the state Department of Public Safety's arson squad sifted through the ruins of the all-Negro Dubois School today.

The school was burned Sunday while firemen were answering an apparent decoy call at a white school at the other end of the city. Damage has been estimated at \$210,000.

The Masonic hall, owned by undertaker W. D. Banks, an active leader in the local NAACP chapter, was leveled Sunday night. Two policemen who discovered the blaze said they could smell kerosene and reported seeing a large can burning under the steps.

Banks is one of two NAACP leaders who met with the city's board of education earlier in an attempt to end the boycott threat. The board has revised its plan to integrate all grades of city schools. It decided to integrate only two grades this year, after it was learned more than three times the expected number of Negroes had registered to attend white schools.

After Dubois school was burned, the school board met in an emergency 90-minute closed session. Later, Supt. Jack Miller issued a brief announcement that the board had decided to suspend the school system's operations until Sept. 8.

Calculators Are Subtracted

CHICAGO (AP) — Sixty calculating machines were subtracted from the offices of Smith-Corona Marchant, Inc., Sunday.

Police said burglars multiplied their crime by using a company truck to carry off the machines valued at \$21,000.

125 Negro children, said a suit to force integration of all grades would be filed early this week unless an agreement could be reached.

Mount Sterling — between the bluegrass country and the Cumberland Mountains — had lagged behind the remainder of Kentucky in school integration. The State Department of Education said earlier this month that 99.4 per cent of the state's school districts with Negro and white children have been integrated.

Fabrics for school ages follow those used for adults, but are flatter and less textured. Meitons, chinchillas, gabardines, doekskins and less hairy tweeds are popular. Fake-fur coats continue their popularity, especially in simulations of otter and broadtail, both of which are newer than leopard. Corduroy and blends of corduroy with wool, cotton or nylon are popular because they are generally water repellent.
